

**RESOLUTION NO. 26-1085**

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE JOSHUA BASIN WATER DISTRICT  
SUPPORTING VISION FOR OUR WATER FUTURE**

**WHEREAS**, in April 2026, the Association of California Water Agencies (ACWA) launched Vision for Our Water Future, a member-driven initiative to identify statewide water priorities to inform engagement with California's next Administration; and

**WHEREAS**, the Vision for Our Water Future priorities are a set of recommendations for the next governor, emphasizing the importance of strong leadership, sustainable investment and coordinated action across all levels of government to secure California's water future; and

**WHEREAS**, the first priority is to lead on water and elevate water as foundational to California's economy, agriculture, communities, environment and climate resilience through sustained leadership and coordinated state action; and

**WHEREAS**, the second priority is to ensure safe and reliable water remains affordable through sustained and predictable funding partnerships and streamlined investment delivery; and

**WHEREAS**, the third priority is to strengthen and modernize California's water infrastructure, including both built and natural systems, to improve reliability and resilience; and

**WHEREAS**, the fourth priority is to improve regulatory, operational, and scientific frameworks to enable efficient project delivery and adaptive water management; and

**WHEREAS**, local water agencies play a critical role in delivering safe and reliable water supplies and are essential partners in implementing statewide solutions; and

**WHEREAS**, supporting the Vision recommendations demonstrates a unified commitment to collaborative, science-based and practical policies that advance a secure and resilient water future for California's communities, farms, economy and environment; now, therefore, be it

**RESOLVED** that the Joshua Basin Water District hereby expresses support for ACWA's Vision for Our Water Future recommendations and affirms its commitment to working collaboratively to advance reliable, affordable and resilient water supplies.
