Staff Report

PRESENTED BY:	Anne Roman, Director of Finance
TOPIC:	4TH FISCAL QUARTER ENDING 06/30/24 FINANCIAL REPORT (UNAUDITED/PRELIMINARY)
RECOMMENDATION:	Review and Approve.

SUMMARY: The 4TH fiscal quarter ending 06/30/24 Financial Report (**unaudited/preliminary**) is attached and will be reviewed in detail in the meeting. The Finance Committee reviewed the report on 09/09/24.

ANALYSIS: The 4TH fiscal quarter ending 06/30/24 Financial Report is attached and will be reviewed in detail in the meeting. See “JBWD FINANCIALS AT A GLANCE” pages for highlights of the Unaudited report.

A note about using this report:

- Both revenues and expenses are generally not incurred evenly throughout the year. Some costs may be incurred early on, others near year end.
- Each Department Head manages their own budget and can better provide details of budget vs. actual costs.
- The included Operating Board Report is an OPERATING expense report. CAPITAL COSTS are not included in that budget vs. actual reporting. Capital reporting requires more analysis, manual application of overhead costs and allocations, and involvement from Project Managers in a reconciliation process. This more labor-intensive type of reporting will be provided on a *by project/by request* basis.

Analysis continues throughout the year and only the 06/30 **Audited** financial statements contain final figures.

RECOMMENDED ACTION: Staff recommends that the Board of Directors review and approve the report.

STRATEGIC PLAN: 4.4 Ensure Timely Financial Transactions and Reports

FISCAL IMPACT: N/A

*COMMON QUESTION: What causes changes in cash?
 Think of our cash accounts in terms of a savings account. Whenever you earn more or spend less, the balance increases and, when doing the opposite, the balance decreases. Over a year, many factors change the cash balances, including changes in earning, spending, and the timing of those transactions.
 In the last few years, unbudgeted (and legally restricted) development revenue has been a particularly large factor in increasing cash balances.*
